

PROCLAMATION AGAINST DECEPTION IN MEDIA AND COMMUNICATION

By the authority of **Yahusha Ha'Mashiach**, we stand against every spirit of deception, manipulation, and falsehood that corrupts the airwaves and deceives the hearts of men. We decree that truth shall prevail over distortion, and light shall expose the works of darkness in media and communication.

Let every lying tongue be silenced, and every false narrative collapse before the truth of **Yahuah's Word**. May integrity rise among those who speak, write, and broadcast in the nations. We call forth voices of righteousness, clarity, and discernment to pierce the veil of confusion.

The **Ruach Ha'Qodesh** breathes truth into the earth, and the Lion of Yahudah roars— that every ear may hear and every heart be awakened.

So let it be established according to the Word of Yahuah.
