

Proclamation Against False Dreamers and Diviners

By the authority of Yahusha HaMashiach, we stand against every lying spirit that speaks through false prophets, dreamers, and diviners. Let every vision not birthed in the Ruach Ha'Qodesh be silenced, and every deceitful revelation fall to the ground void of power. We decree that truth shall expose the imaginations of men who speak for gain and lead the simple astray. Let the veil of deception be torn, and the purity of Yahuah's Word be restored among His people. May those who practice manipulation and sorcery through words, media, or imagination be confounded and brought to repentance. The voice of Yahuah alone shall be heard in the land, and the light of discernment shall shine upon the remnant to guide them in truth. So let it be established according to the Word of Yahuah.
