

Proclamation Against Principalities and Powers, Rulers and Authorities, and Spiritual Wickedness in Unseen Places

By the authority of Yahusha HaMashiach, we war against every principality, power, ruler, and spirit of wickedness operating in hidden places. Let every dark throne be shaken, and every demonic counsel be scattered by the light of Yahuah's truth. We decree that the weapons of our warfare are mighty through Yahuah for the pulling down of strongholds. Let the angels of Yahuah advance with fire, overthrowing every work of darkness and reclaiming what belongs to the Kingdom. May the banner of Yahusha be lifted high in every realm—heavenly, earthly, and beneath—until His dominion fills all creation. So let it be established according to the Word of Yahuah.
