

Proclamation Against Sorceries of Pharmacy

By the authority of Yahusha HaMashiach, we stand against every deception of pharmakeia that manipulates the body, mind, and spirit through sorcery and false healing. Let every counterfeit cure and toxic craft that binds humanity in dependency be exposed and overthrown. We decree that Yahuah alone is our Healer, and that the nations shall no longer be deceived by the merchants of death and corruption. Let truth invade the systems of medicine, revealing every hidden agenda and breaking the power of greed and control. May the Ruach Ha'Qodesh cleanse the earth of poisonous practices and restore wisdom, purity, and divine health to the righteous. We call forth the healing leaves of the nations, and the knowledge of Yahuah to cover the earth as the waters cover the sea. So let it be established according to the Word of Yahuah.
