

Proclamation Against Wicked Music

By the authority of Yahusha HaMashiach, we stand against every sound, rhythm, and lyric inspired by darkness and rebellion. Let the melodies of corruption be silenced, and the instruments of pride and lust be broken before the presence of Yahuah. We decree that every voice used to exalt sin and mock righteousness shall fade, and the spirit behind wicked music be cast down. Let the true song of deliverance rise among the remnant — the song of the redeemed, filled with praise, purity, and power. May the Ruach Ha'Qodesh anoint the sounds of heaven to invade the earth, cleansing the airwaves and sanctifying the ears of the faithful. We call forth worship that heals, lyrics that restore, and rhythms that glorify Yahuah in spirit and in truth. So let it be established according to the Word of Yahuah.
