

Proclamation Against the Slaughter of the Innocent

By the authority of Yahusha HaMashiach, we cry out against the shedding of innocent blood and every system that profits from death. Let every altar of abortion, exploitation, and violence be torn down, and those who perpetuate such evil be brought to repentance or removed from power. We decree that the lives of the unborn, the oppressed, and the voiceless are precious before Yahuah and shall be avenged by His justice. Let compassion triumph over cruelty, and truth expose the works of darkness hidden in the name of progress. May the Ruach Ha'Qodesh awaken the nations to righteousness and restore a fear of Yahuah in every heart. We call forth a generation consecrated to life, holiness, and divine purpose, raised up to rebuild what has been destroyed. So let it be established according to the Word of Yahuah.
