

Proclamation Against the Spirit of Perversion and Pornography

By the authority of Yahusha HaMashiach, we stand against every spirit of lust, corruption, and defilement that wages war against purity and holiness. Let every image, word, and imagination exalting sin and enslaving the soul be cast down and consumed by the fire of Yahuah's judgment. We decree that the eyes of the righteous shall be anointed with holy discernment and that the gates of their hearts be guarded by the Ruach Ha'Qodesh. Let the strongholds of addiction be broken, the snares of fantasy destroyed, and the captives of impurity set free. May a new generation arise clothed in righteousness, walking in the beauty of holiness and the power of self-control. Let truth cleanse the airwaves, and let the song of purity silence the noise of corruption. So let it be established according to the Word of Yahuah.
