

Proclamation of Divine Contention

By the Word of Yahuah, we enter into divine contention against every force that resists His will and opposes His kingdom. Let every spirit of rebellion, pride, and deception be cast down, and the counsel of darkness be turned to foolishness. We decree that Yahuah shall contend with those who contend with His elect and bring judgment upon every adversary that rises against His anointed. Let the strongholds of injustice crumble, the chains of oppression be broken, and the lying lips of the wicked be silenced. May the Ruach Ha'Qodesh go forth as a consuming fire, purging every work of iniquity and restoring righteousness in its place. Let truth march forward and justice stand firm, until every knee bows and every tongue confesses that Yahusha HaMashiach is Sovereign over all. So let it be established according to the Word of Yahuah.
