

Proclamation over Workers of Witchcraft

By the authority of Yahusha HaMashiach, we stand against every worker of witchcraft, sorcery, and divination. Let every spell, curse, and incantation spoken against the righteous be broken, reversed, and rendered powerless. We decree confusion in the camp of darkness, and release the fire of the Ruach Ha'Qodesh to consume every altar of iniquity. Let those who seek power apart from Yahuah be stripped of their strength, and their works brought to nothing. The blood of Yahusha speaks a better word—redeeming, cleansing, and covering the elect of Yahuah. Let the hosts of Heaven war against the forces of wickedness until righteousness is established in every place. So let it be established according to the Word of Yahuah.
