

Purpose of the Proclamation Scrolls

By divine commission, these Proclamation Scrolls are set forth to arm the remnant of Yahuah with the authority of the spoken Word.

Let every decree written herein align with the will of the Most High, that His dominion be established in every realm.

Through these proclamations, the hosts of Heaven are summoned to perform His command, executing justice, silencing iniquity, and restoring divine order upon the earth.

Let righteousness spring forth, truth prevail, and light dispel every shadow of deception. These scrolls are given to train the mouth of the remnant to speak as kings and priests, that the word declared may become the word made manifest.

So let it be established according to the Word of Yahuah.
