

# Proclamation for the Cleansing and Purification of the House of Yahuah

---

By the authority of Yahusha Ha'Mashiach, we decree the cleansing and purification of the House of Yahuah. Let every defilement, compromise, and unholy practice be removed from His dwelling place. We command that the altars be sanctified, the vessels made clean, and the hearts of His people be washed in righteousness.

May the fire of the Ruach Ha'Qodesh consume all impurity and restore the holiness that belongs to Yahuah alone. Let worship rise in spirit and in truth, untainted by the ways of the world.

We declare that His House shall be a house of prayer, purity, and power—set apart for His glory. The Lion of Yahudah roars over His sanctuary, and His presence fills the earth.

So let it be established according to the Word of Yahuah.
