

PROCLAMATION AGAINST THE PERSECUTION OF BELIEVERS

By the authority of **Yahusha Ha'Mashiach**, we lift our voices against the shedding of innocent blood and the persecution of the righteous across the earth. We stand for our brothers and sisters in every land where faith in Messiah is met with fire, sword, or silence.

Let every power that delights in violence be brought low before the **Most High Yahuah**. We decree divine protection over every believer, every pastor, and every home that calls upon His Name. May angels encamp around them, and may the cry of the oppressed rise as thunder before Heaven's throne.

The Lion of Yahudah roars—calling justice to awaken and mercy to prevail.

So let it be established according to the Word of Yahuah.
